

Articulation & Coordination

Mission

Stakeholders will have consensus with developmental foundations & there will be a well-defined articulated transition process from all early care environments into kindergarten

Vision

- Model of best practices
- Knowledge & understanding of developmental foundations
- Value parents as equal partners
- Alignment of curriculum
- Spiral of learning
- Remain vigilant: curriculum should not be "pushed down"

How do we get there

1. Review what is in place in Orange County
2. Participate in focus groups regarding state-identified foundations
3. Establish "best practices for transitions"
4. Discussion of alignment of developmentally appropriate practices
- 5.
