

Parent & Community Engagement

Mission

Actively engage families and build community investment in Early Childhood Education

Vision

- Access to services/information in the language needed
- Increase family participation in early childhood education
- Increase in community investment (funding and support in ECE programs)
- Increase in ECE programs offered
- Shift public perception to critical importance of ECE to society

Challenges

- Public awareness
- Funding
- Parent education/language diversity
- Access to appropriate service
- How to get community involved

Resource Requirements

- Coordinate efforts
- Prioritizing corporation targets

How do we get there

- 1.
- 2.
- 3.
- 4.
- 5.
