 Tuesday, May 29, 2007 (8:30 – 11:30), OCDE, Building D, Room 1006

12:30 Data Presentation by Sharon Seidman and Jean Barbre. The Data Workgroup is visiting each of the other workgroups to ask:

1. What data might be useful to your group?
2. What are some data sources you may want to have?
3. Other sources of data that we may know of that we need help finding?

Two types of data sets that they see as useful to us:

Set 1	Set 2
Success by 6- workforce study (2001, 2007)	Success by 6- workforce study (2001,2007)
CTC, Child Dev. Permit breakdown	Salary study done by CFCC, Anaheim project
AB212	Private salary studies (if they exist)
Create a survey for Community Colleges to gain knowledge of students who were hired and their salaries	Email to the collaborative-at-large for possible information they may be aware of

Resources (We do and do not have)

Look to other states for models.
